LOCAL CHAIRMAN UTU 202

Dear Mr. Harbin:

This letter is in response to your appeal received May 27, 2010 on behalf of the above listed claimant, who was allegedly denied payment when instructed to perform switching not in connection with his train on the date listed above. Your Organization is requesting an additional \$24.37 as compensation.

Your Organization cites the UTU Schedule Agreement, Rule 32 (e) and the 1991 Presidential Emergency Board 219 in support of its appeal.

After reviewing the record the Carrier is amenable to resolving this claim. Therefore, in full and final settlement and without prejudice to schedule rules and Agreements, and on a non-referable basis, the Carrier is willing to offer the above amount as payment.

If this offer is accepted, please sign, date, and return this letter to my attention no later than August 9, 2010. If this offer is not accepted, these claims will remain declined in their entirety. All future correspondence should refer to the above listed Carrier file numbers.

Respectfully,

Liz Dewald
